

“BRINGING THE
SUCCESS
THROUGH

TECHNOLOGY AND

INNOVATIONS”

OUR GROUP

HEADQUARTERED IN EASTERN PROVINCE

Regional offices in Norway, Canada, Kuwait, Brazil, Egypt, Mexico and several satellite offices across KSA & GCC, all dedicated to providing the highest possible customer service **Since 2006.**

ASH Group has forged strong technical and commercial partnerships with renowned companies around the world.

Our strategic partnerships allow us to provide our customers with world-class solutions.

Acquired the majority the key clients across the region, including both the private and public sectors.

OUR GROUP VISION

To be a progressive and effective organization proposing cost effective solutions.

Determination to develop niche local opportunities which express

our long-term goals and expectations that reflect our groups strengths and capabilities.

Honesty, Integrity & Operational Excellence

OUR GROUP STRENGTH

- Commercializing Innovative Technologies
- 137+ Partnerships
- International Footprint

- Diversified over 20 industries
- 1500+ manpower
- Extensive R&D Contributions

MANAGEMENT SYSTEM CERTIFICATE

Website: www.iso-registration.com | Email: info@iso-registration.com

KVQA Assessment Private Limited is accredited to United Accreditation Foundation (UAF). UAF is internationally recognized by having a signatory status across multilateral recognition arrangement of International Accreditation Forum (IAF) and Asia Pacific Accreditation Cooperation (APAC).

The certificate is valid subject to successful completion of surveillance audits. Verify validity/status on www.iso-registration.com or on email at info@iso-registration.com
 UAF address: 1060 Laskin Road, STE 12B/13B, Virginia Beach, VA 23451, United States of America

ISO 45001: Occupational Health & Safety

UL Compliance: Product Safety & Standards

Issued to:

FIBER FABRICS FACTORY FOR UNIFORM
AL-IMAN ST. AL TAAWON DISTRICT
P.O. BOX 31952
AL KHOBAR, 31952, SA

Certificate Number:
20250718-MH67454

Report Reference:
MH67454-20250718

Issue Date:
2025-07-18

This certificate confirms that representative samples of:
**Flame-Resistant Clothing for Protection of Industrial Personnel
 Against Short-Duration Thermal Exposures from Fire - Garment**
 Refer to the Page 2 of this Certificate for UL Certified Products

Refer to the Page 2 of this Certificate for UL Certified Products

Has been evaluated by UL LLC in accordance with Standard(s) for Safety:
**NFPA 2112, Standard on Flame-Resistant Clothing for Protection
 of Industrial Personnel Against Short-Duration Thermal
 Exposures from Fire, Edition 2023**

See UL Product iQ® at <https://iq.ulprospector.com> for additional information.

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Mark. Only the Authorization Page that [references the Follow-Up Services Procedure](#) for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Certification Mark on the product.

Nomadic IFR Pro Elite Coverall

NOMADIC[®]
A SHIELD OF SAFETY

Article No.: NMDIFRPTPOV1801

Product Code: PTXPA 180

Inherent Flame Resistant and Antistatic

ARAECO PLUS provides the advantage of permanent FR properties because of Aramid and higher moisture management and comfort because of Viscose so workers stay cool and comfortable.

Material

52% Modacrylic, 37% Cellulose, 9% PA, 2% AS

Garment Specifications

- Two slanted Chest Pockets with flap and YKK metallic zipper
- Sleeves cuffs provided with adjustable snap button
- Front closure with two way YKK metal zipper
- Back Pleats for easy movement and double pen slot on left arm
- Elasticized back waist.
- 25mm wide FR silver reflective tape on shoulder, arm and legs.
- Gas loop on both chest.
- Two back pockets with flap and snap closer
- Two side cross pocket with vent for inner access.
- Ergonomical design for user comfort.
- Stitching with Inherent FR thread.
- All stress points bartack reinforced.
